

The distributor of

...Did you know?

The humble **baked potato** is the **fastest growing health food** in North America due to its versatility, amazing health benefits and low cost to serve.

Royal Potato Ovens are the **first in North America** to offer a range of commercial **gas and electric convection ovens** specifically designed to produce and merchandize baked potatoes.

Not only will it produce hot jacket potatoes time after time, **the oven can also be used to prepare pizzas, pies, pastries** -in fact anything you would cook in any other normal oven.

The King Edward Potato Oven

\$3,299.00

Traditional appeal with contemporary performance, all at low cost...

Thermostatically Controlled

Stainless Steel removable shelves

Fan Assisted

Connecting air-flow system
